

# Annual Meeting

## 2026 Reference Committees & Credentials and Standing Rules Committee

[Click here to submit nominations](#) by 5:00 p.m. EDT on May 15, 2026.

Questions call 850.224.6496 or email Cortney Jones at [cjones@flmedical.org](mailto:cjones@flmedical.org)

### **Reference Committee I - Health, Education, and Public Policy**

Considers resolutions on issues that pertain to public health; medical education and methods whereby physicians may be assisted in maintaining their professional competence, educational and scientific programs for CME, and other issues that pertain to education. Other items include specialty society issues, as well as issues relating to the Professionals Resource Network (PRN).

### **Reference Committee II - Finance & Administration**

Considers resolutions relating to financial issues and the administration of the Florida Medical Association. Issues also include resolutions relative to ethical and judicial affairs, public relations and communications, bylaws, long-range planning, membership issues, and the Foundation.

### **Reference Committee III - Legislation and Miscellaneous**

Considers resolutions relating to state legislative issues, grassroots issues or programs, national legislative issues, or issues relating to the Florida Medical Association Political Action Committee (FMA PAC).

### **Reference Committee IV - Medical Economics**

Considers resolutions relating to any social and economic factor that influences the practice of medicine, issues relating to Medicare, Medicaid, and other government health care programs, matters relating to health care financing and third-party relations, workers' compensation, group practice issues, practice parameters, data collection, managed care, issues relating to health care reform, health information technology, patient safety, and the uninsured.

### **Credentials and Standing Rules Committee**

Reviews and approves late resolutions, certifies delegate attendance, and monitors elections.
