

FMA Online Voting Instructions

1. On the login screen, key in the Voter ID and Voter Key.
 - a. **Voter ID = FMA ID**
 - b. Voter Key – Emailed separately to delegates
2. Click **Login to Vote** (bottom of page).

3. The voting page will open. Each section will indicate the required number of candidate(s)/option(s) that must be selected.
Select a candidate/option by clicking the radial button next to that candidate/option.
A green check  will appear to the left of the selected candidate/option.

4. Only the specified number of candidate(s)/option(s) for each section may be selected. If a selection requires more than one candidate, you will see a running total of selected candidates.

If the required number of candidate(s)/option(s) have been selected, another candidate/option may not be selected without first deselecting a candidate/option.

Otherwise, a warning message will appear when attempting to select more than the required number of candidate(s)/option(s).

5. When all required candidate(s)/option(s) for each section have been chosen, click **Submit Ballot**.
6. Are you sure you want to submit your ballot?
 - a. To submit the ballot, click **Yes**. This is the last opportunity the physician has to change their voting selection.
 - b. To make a change, click **Cancel**. The voter will be redirected to the previous voting screen.
