

The logo features the letters 'AM' in a large, bold, white sans-serif font. A smaller '22' is positioned to the right and slightly below the 'M', also in white. The background is a dark teal color with a subtle grid pattern.

# FMA Annual Meeting 2022

## **SUBMITTING A RESOLUTION FOR CONSIDERATION BY THE HOUSE OF DELEGATES**

Business is introduced into the House of Delegates (House) through the presentation of resolutions by voting Delegates on behalf of their county or specialty medical society, special sections, or as individual Delegates. In order to be considered as regular business each resolution must be submitted to the FMA no later than May 27, 2022. For more information on resolutions, [refer to pages 5-7 of the Procedures of the House of Delegates.](#)

All resolutions should be submitted to Brittany Jackson at the FMA by email at [bjackson@flmedical.org](mailto:bjackson@flmedical.org). For more information call the FMA at 850.224.6496.

**FORMATTING**

**Title  
Sponsor**

**Whereas,**

*Whereas statement(s) support and/or provide background to substantiate the intent of the RESOLVED. Include as many whereas statements as necessary to provide the foundation for the intent(s) of the RESOLVED statements.*

**RESOLVED,**

*RESOLVED statements are requests for the FMA to take a specific position or course of action to address the concern(s) expressed in whereas statement(s).*

*RESOLVED statements should be focused and provide a specific, clear direction or action sought by the FMA should it be adopted.*

*RESOLVED clause(s) stand alone and should not reference the “whereas” statements or other resolved.*

*To the extent possible, each resolved statement should make adjustments, additions or elaborations to existing policy rather than creating new, possibly redundant policy. The resolved statements should be kept to the minimum number needed to convey the proposed directive.*

**Resolution 08-25**

**DMAT Supplies**

Duval County Medical Society

Whereas, The Office of the Assistant Secretary for Preparedness and Response, U.S. Department of Health and Human Services, has made the decision to remove, relocate, and consolidate the local equipment caches of the six (6) Florida Disaster Medical Assistant Teams (DMAT) of the National Disaster Medical System to Atlanta; and

Whereas, Separation from its equipment will reduce Florida DMAT Teams’ readiness and ability to respond to a major medical event, as training readiness is a function of any team’s familiarity with its equipment and the drills conducted during regular training exercises; and

Whereas, Without access to its equipment, Florida DMAT Teams’ ability to drill and prepare will, undoubtedly, reduce its ability to effectively and rapidly respond when needed; therefore, be it

RESOLVED, That the Florida Medical Association petition the Office of the Assistant Secretary for Preparedness and Response, U. S. Department of Health and Human Services, to reverse its decision to regionally relocate and consolidate DMAT equipment caches for the purpose of promoting local training and deployment readiness.
