George	Brinnig Jastrzebski	MD	B-7 DISASTER BYLAWS	For	On Behalf of Delegation	Collier County Medical Society	A broad directive, but necessary in these times.
George	Brinnig Jastrzebski	MD	B-6 MEDICAL STUDENT SEAT ON BOG	For	On Behalf of Delegation	Collier County Medical Society	A welcome extension to the medical student section of the full HOD candidate voting experience.
George	Brinnig Jastrzebski	MD	B-5 MEETINGS	For	On Behalf of Delegation	Collier County Medical Society	A reasonable accommodation and we are in favor.
George	Brinnig Jastrzebski	MD	B-4 COMMITTEE ON PAST PRESIDENTS	Against	On Behalf of Delegation	Collier County Medical Society	The standing committees are designed to provide focus on areas of interest to the mission of the FMA. This should not be a mechanism to create a legacy position with no specific area of interest. We risk obstructing the infusion of younger and newer thinking in the organization.
George	Brinnig Jastrzebski	MD	B-3 PAST PRESIDENTS ON HOD REFERENCE COMMITTEES	Against	On Behalf of Delegation	Collier County Medical Society	We see no reason to tie the hands of the Speaker to specifically nominate anyone in particular for HOD Reference Committees by making this a bylaw. Past presidents will continue to have the ability to provide important comments to the committees and to the HOD.
George	Brinnig Jastrzebski	MD	B-2 PAST PRESIDENTS IN FMA HOD	Against	On Behalf of Delegation	Collier County Medical Society	As there is nothing that precludes the counties or specialty societies from making past presidents delegates, we see no specific reason to create a legacy component to the HOD.
George	Brinnig Jastrzebski	MD	B-1 MILITARY PHYSICIAN BOG POSITION	Against	On Behalf of Delegation	Collier County Medical Society	While we respect our military physician colleagues, we see no reason to expand the board and additionally exceptionalize a physician group. We would prefer board positions reflect broader interests and be more directly related to the FMA Mission.

Melanie	Bone	MD	B-6 MEDICAL STUDENT SEAT ON BOG	Against	As Individual		I am uncertain why medical student representation on the BOG is being eliminated. Given that there are many students who want to be part of governance, it is a great way to introduce them. Perhaps limiting their voting power to half or just having them as observers would help if they are not familiar with the matters at hand, but to eliminate them seems almost punitive.
Melanie	Bone	MD	B-7 DISASTER BYLAWS	Against	As Individual		It does not seem like a good idea to me.
Melanie	Bone	MD	B-2 PAST PRESIDENTS IN FMA HOD	Against	As Individual		I am not certain why past presidents should continue to have a lot of power and be able to vote. They are invaluable for their insight and guidance, but as a member of many other organizations, I have not seen that done. Granting past presidents emeritus status and enlisting their help on an as-needed basis would be preferable. This same comment applies to all the related amendments.
Ralph	Nobo		B-3 PAST PRESIDENTS ON HOD REFERENCE COMMITTEES	Against	As Individual		I am not sure what exactly this is to accomplish. The AMA at the end of their HOD ask for members of the HOD delegates and alt. delegates to voluntary to be on a reference committee. I did that when I was first elected to be a delegate and then years later after volunteering I was appointed to a reference committee, and then I was later appointed to be the chair of the legislative reference committee and then others. This have always been the speaker and vice speaker of the AMA HOD who do the choosing, I have never heard a state association choosing who gets to sit in the AMA reference committee. Please explain what exactly is the bylaws change. I had to vote, so i voted against since I am not sure what the change wants. thank you for your time and help

Guy	Benrubi		B-2 PAST PRESIDENTS IN FMA HOD	Against	As Individual		I believe that all the bylaws changed should be tabled this year and brought up next year when we have a chance to debate them face to face
Cyndi	Yag-Howard	MD	B-4 COMMITTEE ON PAST PRESIDENTS	For	As Individual		While there is likely great benefit to having a Past Presidents Committee, the insertion of the words "past presidents" among the list of "issues" that the Board shall "consider" makes the intent and purpose of a Past President Committee confusing.  "The Board shall establish committees and councils to consider such issues as membership, finance, bylaws, ethical and judicial affairs, medical education, socioeconomic affairs, public health, public relations, past presidents, and legislation."
Cyndi	Yag-Howard	MD	B-3 PAST PRESIDENTS ON HOD REFERENCE COMMITTEES	For	As Individual		Rec 3 — Although there are to be no changes to the amendments, I am not certain if you allow amendments to the title of proposed bylaws changes. If so, I would propose the following amendment by addition to the title:  Current-- Past President on HOD Reference Committees  Proposed-- Past Presidents and/or FMA Delegates to the AMA House of Delegates on FMA HOD Reference Committees
Diana	Twiggs		B-5 MEETINGS	For	As Individual		editorial comment: Section 3, line 4, "special meeting upon his determination" should read "special meeting upon his/her determination"

Madelyn Espinosa Butler	Madelyn	Butler	B-2 PAST PRESIDENTS IN FMA HOD	Against	As Individual		Usually the AMA Delegate volunteers to serve on a Reference Committee. You can change the bylaws to say the FMA Speaker will nominate from among the elected AMA Delegates a Past President or other Delegate who is an existing AMA Delegate from the FMA to serve on each of the four Reference Committees.
John	Bailey	D.O.	B-6 MEDICAL STUDENT SEAT ON BOG	Against	As Individual		Unless I am mistaken, this would turn the election of the student member over to the full HOD. This takes power away from the Medical Student Section. Let the colleagues that know the candidate the best---his or her peers---continue to make this selection.
John	Bailey	D.O.	B-3 PAST PRESIDENTS ON HOD REFERENCE COMMITTEES	Against	As Individual		Reference ctees can be attended by any member, but the Reference committee composition should be geared toward developing leadership from the pool of newcomers to membership or leadership. Presidents and FMA Delegates can share their wisdom from the floor just as readily as they can from the dais.
John	Bailey	D.O.	B-1 MILITARY PHYSICIAN BOG POSITION	For	As Individual		Q for information: What is meant by "Full Active Membership in FMA" with regard to institutions?
Carl	Lentz III MD	Lentz III MD Carl W	B-3 PAST PRESIDENTS ON HOD REFERENCE COMMITTEES	Against	As Individual
