\*Disclosure: Both speakers have provided full disclosure information. Neither planners nor speakers have relevant financial relationships with any commercial interest that produces health care goods or services related to the **content of their educational presentations.**

This refresher course for Florida-licensed physicians highlights legal and ethical requirements for Florida practitioners, and provides tips to manage stress and avoid burnout in today's fast-paced world. The content related to legal and ethical requirements is Florida-specific. The Florida Board of Medicine and the Florida Board of Osteopathic Medicine periodically require certain licensees to complete this CME course.

For online registration, go to the FMA website: [www.flmedical.org](http://www.flmedical.org) and click on the Events tab on the top menu.
